Dick Tanner
1926-2023

Dikran Taner was born in Istanbul, Turkey in 1926 of Armenian descent. He immigrated to the United States after marrying his wife Ida in Paris. They set roots in Forest Hills, New York and had two daughters. He later welcomed a son-in-law and granddaughter. Dikran was a real estate broker, appreciated fine things in life, food, travel and of course stamps. He passed away last year. A familiar and well-respected presence at major New York auctions, "DT" acquired a substantial philatelic holding of United States and the rest of the world. He was a perfectionist and demanded only the best quality. Much of the material was preserved on the original lot sheets, many untouched for 50+ years. We are pleased to present Mr. Taner's vast philatelic holdings
